3-Grain Scratch

Product Benefits:

Encourages natural pecking and feeding behavior.

Certified USDA Organic

Fulfills the requirements of the USDA to guarantee the product is made without the use of pesticides, fertilizers, and genetically modified organisms (GMOs).

IMPORTANT:

This product is to be fed only to the animal species as directed on this label. Follow these management practices:

1. A feeding program is only as effective as the management practices.
2. Actual results can vary depending upon feed intake, environmental conditions and the quality of management practices.
3. Always provide shelter and a constant supply of fresh, clean water.

CAUTION:

Store in a dry, well-ventilated area protected from rodents and insects.
Never use moldy or insect-infested feed.

KEY POINTS:

Consumption will vary depending upon season of the year, nutritional needs of the animals and availability of other foods.
